

PRICE LIST FOR LICENCE RENTAL SERVICE

The Price List determines the license rental costs assigned within the framework of the license rental service (hereinafter the Service).

The Price List comes into effect on November 25, 2021. The provisions of the Price List may be changed in accordance with the terms of the Agreement On Electronic Communications Services. The accounting of the Service is performed in months in accordance with the terms of Contract.

The fees are specified excluding VAT.

(*) license fee is given per one license, the minimum possible number of rented licenses per virtual server is 2.

Part Number	Name	Product Family	License fee per hour (Valid until 31.12.2021.)	License fee per hour (Valid from 01.01.2022)
-	Windows Server Any Type per vCPU	Microsoft® Windows® Server	€ 0.01139 (**)	€ 0.01253 (**)

(**) license fee is given per one vCPU license, the minimum possible number of rented licenses per virtual server is 4. Fee will be calculated based on the total sum of vCPUs of all running servers with Windows Server operating system, that were active on client's account each hour during the previous month, taking into consideration the minimum number of rented licenses per server(4 vCPU's).
